UPDATE TO GROWERS

Confirmation of investment holding prior to distribution of proceeds held on trust

Correspondence was recently distributed to Growers who invested in the schemes listed in the table overleaf and are entitled to a distribution (subject to any competing claim) of the proceed type as detailed. The correspondence sought to confirm the information extracted from the books and records of WFL prior to the funds being distributed.

Growers of the schemes listed overleaf who have not received this correspondence and believe they have an entitlement to these proceeds should contact our office immediately by email at willmott@ppbadvisory.com.

We will continue to provide updates on the liquidation on our website (www.ppbadvisory.com).
