1. First meetings of creditors

The Notice of First Meetings of Creditors for each company in the Group, Form 529A (Appendix B) is attached.

Date: Tuesday, 6 June 2017
Registration: 1:30PM AEST
Meeting time: 3:00PM AEST
Venue: Brisbane Convention & Exhibition Centre, Cnr Merivale & Glenelg Streets, South Bank, Brisbane, Queensland

On 29 May 2017, the Administrators' obtained orders from the Federal Court of Australia pursuant to Section 447A (1) of the Act permitting the Administrators to give notice of the meetings of creditors under Section 436E (3) of the Act electronically. A copy of the Orders is on the PPB Advisory website.

The first meetings are required to be held within eight business days after the appointment of the Administrators. The purpose of the meetings is to provide creditors with background to the appointment and for creditors to determine whether to appoint a Committee of Creditors for any of the Group companies to assist the Administrators, and if so, who are to be the Committee's members.

At the meetings, creditors may also, by resolution, remove the Administrators from office and appoint replacement Administrators.

In order to attend and vote at the meeting, creditors will need to complete the Proof of Debt Form (Appendix C) and where applicable, Proxy Form (Appendix D). A Proxy Form must be completed where a corporate creditor is attending or an individual creditor wants to appoint another person to act on their behalf at the meeting. A creditor may also choose to appoint the Chairman to vote on their behalf.

The completed Proof of Debt and Proxy Forms should be returned to Link Market Services by email to careersaustralia@linkmarketservices.com.au prior to 12:00pm AEST, Monday, 5 June 2017.

A listing of known creditors as ascertained from each of the companies' records will be made available upon written request.

2. Creditor claims

For the purpose of voting at the meeting, you should lodge the Proof of Debt Form (Appendix C) for the amount of your claim as at the date of our appointment.

Employees are afforded priority pursuant to section 556 of the Act and rank ahead of ordinary unsecured creditors for claims against a company.

To assist creditors, employees, and shareholders to better understand the Voluntary Administration process, Australian Securities and Investments Commission (**ASIC**) has released a package of insolvency information sheets. These have the endorsement of the Australian Restructuring Insolvency & Turnaround Association (**ARITA**).

The ASIC publication 'Insolvency Information for directors, employees, creditors and shareholders' (Appendix E), which provides an index of the information sheets that are available, is enclosed. You can download these information sheets from ARITA's website at www.arita.com.au/insolvency-you/insolvency-explained/insolvency-fact-sheets.

3. Section 439A report to creditors and second meetings of creditors

As Administrators, we are required to investigate each company's business, property, affairs and financial circumstances in order to form an opinion as to whether it would be in the best interests of creditors:

- that the administration should end (and control of the company revert to its directors)
- that the company enter into a Deed of Company Arrangement or
- that the company be wound up, ie placed in liquidation.

Second meetings of creditors will be held to determine the future of each Group company. At the meetings creditors will vote for one of the above options. The second meetings of creditors must be held by 30 June 2017 unless an extension of the convening period is sought and approved by the Court.

A notice of the second meetings will be forwarded to all known creditors of each company in due course, together with a report from the Administrators pursuant to section 439 of the Act that will include:

- our opinion on the options available to creditors
- our recommendation on the future of each company
- our opinion on recoveries
- details of the meeting.

4. Status of the businesses

As Administrators, we have assumed full control of the Group's affairs and the powers of the directors are currently suspended.

Due to the Group's financial position at the date of our appointment, we do not currently have sufficient funds available to continue trading the Group on a 'business as usual' basis. The Administrators will be assessing the financial position of the Group including any possibilities for resuming operations and/or selling the business and its assets.

Please immediately cancel any outstanding or unfulfilled orders placed by the Companies prior to our appointment.

Please immediately issue a final invoice/statement. Any amount owing to you at the date of our appointment will represent an unsecured claim against the respective company.

An owner or lessor of property that is used or occupied by, or is in possession of, the Group, cannot take possession of the property or otherwise recover it, without the Administrators' written consent or leave of the Court during the administration period.

If you have supplied goods to the Group on consignment, or have registered a security interest on the Personal Property Securities Register (**PPSR**), you will shortly receive a separate letter providing you with further instructions. Please contact Nick Charlwood (ncharlwood@ppbadvisory.com) if you do not receive this letter in the next few days.

The Administrators will make separate arrangements with individual suppliers on an as needs basis.

5. Disclosure statement

Our Declaration of Independence, Relevant Relationships and Indemnities (**DIRRI**) is attached (Appendix F) in accordance with section 436DA of the Act. We have considered the disclosure requirements of the Code of Professional Practice for insolvency professionals issued by ARITA. Based on the information available to us, we are not aware of any reasons that would prevent us from accepting this appointment.

Careers Australia Group Limited and its subsidiaries referred to in Appendix A (All Administrators Appointed) (the Group or the Companies)

Remuneration Method

There are four basic methods that can be used to calculate the remuneration charged by an insolvency practitioner. They are:

1. Time based / hourly rates

This is the most common method. The total fee charged is based on the hourly rate charged for each person who carried out the work, multiplied by the number of hours spent by each person on each of the tasks performed.

2. Fixed Fee

The total fee charged is normally quoted at the commencement of the administration and is the total cost for the administration. Sometimes a practitioner will finalise an administration for a fixed fee.

3. Percentage

The total fee charged is based on a percentage of a particular variable, such as the gross proceeds of assets realisations.

4. Contingency

The practitioner's fee is structured to be contingent on a particular outcome being achieved.

Method chosen

Given the nature of this administration we propose that our remuneration as Administrators be calculated on **Hourly Rates**. This is because:

- it ensures that creditors are only charged for work that is performed
- as Administrators, we are required to perform a number of tasks which do not necessarily relate to realisation of assets, for example responding to creditor enquires, reporting to ASIC and conducting investigations and
- generally, it is difficult to estimate with accuracy the total amount of fees necessary to complete all tasks required in the administration.

Explanation of Hourly Rates

The hourly rates charged by PPB Advisory effective from 1 December 2016 are set out within this remuneration report, together with a general guide showing the qualifications and experience of staff engaged in the administration.

The hourly rates charged encompass the total cost of providing professional services and are not comparable to an hourly wage.

Approval and payment of Remuneration

Remuneration is approved by a resolution of the creditors, a creditors' committee or a court.

Future remuneration is approved subject to a maximum or cap. Sometimes the actual cost of the administration will exceed the maximum which has been approved, in which case, we may seek another resolution for additional remuneration. We will not pay any amount exceeding the maximum without this approval.

Where funds are available, we will usually pay approved remuneration at intervals not less than one month. Where funds are not available, remuneration will not be paid.

Estimate of Remuneration

Having considered the nature of the administration, likely tasks to be completed and complexity, we estimate our remuneration to be \$1.5m (exclusive of GST) for the period up to the second meeting of creditors.

Disbursements

Disbursements are divided into three types:

- Externally provided professional services – these are recovered at cost. An example of an externally provided professional service disbursement is legal fees.
- Externally provided non-professional costs such as travel, accommodation and search fees – these are recovered at cost.
- Internal disbursements such as photocopying, printing and postage. These disbursements, if charged to the Administration, would generally be charged at cost, although some expenses may be charged at a rate which recoups both variable and fixed costs. The recovery of these costs must be on a reasonable commercial basis.

We are not required to seek creditor approval for disbursements, but must account to creditors. Details of the basis of recovering internal disbursements in this administration are provided below. Full details of any actual costs incurred will be provided with future reporting.

Statement of Remuneration Policy

Insolvency Practitioners, in common with many professions, have traditionally charged for work done on the basis of hourly rates.

PPB Advisory supports the Code of Professional Practice for Insolvency Practitioners. In all matters undertaken by us we seek to charge an appropriate level of fees and expenses. They should be appropriate for us having regard to the complexity and demands of each assignment, and appropriate for our clients having regard to their objectives in seeking our assistance.

Accordingly, at all times when seeking approval for remuneration we will provide the following details:

- type of work undertaken by the Appointees and the firm's staff
- breakdown of the activity undertaken
- number of hours charged by each person
- hourly rate charged for each person
- total remuneration claimed
- basis of recovering disbursements.

A schedule detailing our rates to apply to administrations for the period commencing 1 December 2016 is set out below, together with general details of Staff Classifications.
