A1. *I've got a contract sale with Midland, is it still valid?*

The liquidators do not intend to proceed with the proposed development. The reasons for this include, but not limited to:

- we do not have the funds to proceed with the development
- there is inherent market risk with any development
- we are without sufficient funds to review or obtain independent advice regarding the feasibility of the project.

A2. *I've paid a deposit for an off-the-plan land contract, where are these funds?*

We understand deposits for off-the-plan land contract sales are held in the Evans Ellis Lawyers' trust account. Please contact Evans Ellis Lawyers.

---

A3. *How can I get a refund of my deposit?*

The liquidators do not hold the deposits. Please contact Evans Ellis Lawyers. We have informed Evans Ellis Lawyers that we have no objection to them releasing the funds.
