BACKGROUND

- A On 29 May 2020, Martin Francis Ford, Stephen Graham Longley and David Laurence McEvoy of the accounting firm PricewaterhouseCoopers were appointed joint and several voluntary administrators of each of the PAS Group Companies by the resolutions of the Directors of those companies.
- B At the Second Meeting of Creditors on 17 August 2020, it was resolved that the Company execute a deed of company arrangement containing terms substantially in the form of this Transaction Support DOCA, consistent with the overview and key features of the proposed deed of company arrangement detailed in section 9 of the section 439A Report to Creditors provided by the Voluntary Administrators to the creditors of the Company on 7 August 2020.
- C At the second meeting of creditors of Distribution Co on 17 August 2020, it was resolved that Distribution Co execute a deed of company arrangement containing terms substantially in the form of the Distribution DOCA, consistent with the overview and key features of the proposed deed of company arrangement detailed in section 9 of the section 439A Report to Creditors provided by the voluntary administrators of Distribution Co to the creditors of Distribution Co on 7 August 2020.
- D At the second meeting of creditors of each of the Other PAS Group Companies (except Distribution Co) on 17 August 2020, it was resolved that each Other PAS Group Company execute a deed of company arrangement containing terms substantially in the form of this Transaction Support DOCA for each Other PAS Group Company, consistent with the overview and key features of the proposed deed of company arrangement detailed in section 9 of the section 439A Report to Creditors provided by the voluntary administrators of the relevant Other PAS Group Company to the creditors of that Other PAS Group Company on 7 August 2020.
- E Pursuant to this DOCA and each Other PAS Group DOCA:
 - (a) the Deed Administrators and the Other Deed Administrators will realise the PAS Group Assets and pay the proceeds into the Distribution Fund;
 - (b) PAS Group Claims may be submitted for proof to the deed administrators of the Distribution DOCA;
 - (c) a submitted PAS Group Claim, once accepted and valued, will become an Admitted Claim;

- (d) the Entitlement of a PAS Group Creditor in respect of the Distribution Fund will be determined in accordance with its Admitted Claims and the Waterfall; and
- (e) once the Final Dividend has been paid, all Claims (other than Preserved Claims) will be Extinguished.

AGREED TERMS

1 Purpose and Objects of this DOCA

The purpose and objects of this DOCA, in conjunction with each Other PAS Group DOCA (the **DOCA Purpose and Objects**), are to:

- (a) maximise the chances of the PAS Group Companies, or as many of them as possible, continuing in existence;
- (b) maximise the chances of a sale and recapitalisation of the PAS Group Companies, or as many of them as possible;
- (c) provide a better return to the PAS Group Creditors as a whole than would result from an immediate winding up of the PAS Group Companies;
- (d) provide flexibility to potential purchasers of the assets of and/or shares in the PAS Group Companies;
- (e) provide a continuation of the moratorium established upon the appointment of the Voluntary Administrators and the Other Voluntary Administrators;
- (f) provide for a cost efficient and speedy mechanism for the sale and realisation of the assets of the PAS Group Companies, the novation or Extinguishment of liabilities of the PAS Group Companies and the management of proofs of debt, determination of claims and payment of dividends;
- (g) seek to preserve certain claims of the PAS Group Companies to determine whether it is in the best interests of creditors to pursue them;
- (h) provide for the payment or transfer of proceeds from the sale or realisation of the assets of or shares in the PAS Group Companies to Distribution Co to be held in the Distribution Fund established under the Distribution DOCA;
- (i) provide for payments out of the Distribution Fund to PAS Group Creditors in accordance with the Distribution DOCA;
- (j) provide a process to maximise the chances that the purposes and objects of this DOCA will be given effect even if the Company or any Other PAS Group Companies are placed into liquidation;
- (k) establish a regime to enable the Deed Administrators and the Other Deed Administrators to work co-operatively to achieve the DOCA Purpose and Objects; and
- (l) grant all necessary and incidental powers to the Deed Administrators to effect the DOCA Purpose and Objects.

2 Conditional effect of this DOCA

2.1 Condition precedent

This DOCA is inter-conditional with the operation of the Distribution DOCA and each of the other Transaction Support DOCAs and is subject to and conditional upon the execution of the Distribution DOCA and each of the other Transaction Support DOCAs.

2.2 Obligation to satisfy conditions

To the extent it is within a relevant party's control, the parties to this DOCA must use reasonable endeavours to ensure that the condition precedent referred to in clause 2.1 is satisfied as soon as possible.

2.3 Consequences of non-satisfaction of the condition precedent

If the condition precedent in clause 2.1 is not satisfied within 15 Business Days of the Second Meeting of Creditors, the Deed Administrators will apply to the Court for directions.

3 Operation

3.1 Commencement and termination

- (a) Without derogating from the operation of clause 2, this DOCA will commence and take effect on the Commencement Date.
- (b) This DOCA will terminate on the earlier of:
 - (i) the appointment of a liquidator to the Company;
 - (ii) the payment of the Final Dividend from the Distribution Fund in accordance with the Waterfall;
 - (iii) the Deed Administrators determining, and the PAS Group Creditors' Committee resolving, in accordance with clause 6.11 that this DOCA ought to be terminated and the Company wound up; and
 - (iv) the Deed Administrators determining, in their absolute discretion, that this DOCA should terminate,**(Termination Date).**
- (c) Termination of this DOCA will be effective once the Deed Administrators lodge a notice of termination with ASIC (certifying that the DOCA has been wholly effectuated) and post a copy of the notice on the Deed Administrators' website.
- (d) Where the termination of this DOCA is followed by the winding up of the Company:
 - (i) the liquidator(s) of the Company may enforce any obligation under this DOCA owed to the Deed Administrators or the Company; and
 - (ii) may do so as if the liquidators of the Company had been a party to this DOCA in the place of the Deed Administrators.

3.2 Interim effect

Insofar as a person would be bound by this DOCA if it had already been executed, the person may not, without the consent of the Voluntary Administrators, at any time on or after the Section 439C Resolution, but before the execution of this DOCA:

- (a) do anything inconsistent with this DOCA; or
- (b) in relation to any Claim, do any of the following:
 - (i) commence, revive or continue any action, suit, arbitration, mediation or proceeding against the Company;
 - (ii) make or proceed with an application for an order to wind up the Company;
 - (iii) institute, revive or continue with any Enforcement Process against the property of the Company;
 - (iv) take any action whatsoever to seek to recover any part of its Claim from the Company;
 - (v) transfer any shares in the Company;

- (vi) exercise any right of set off or defence, cross-claim or cross action to which that Creditor would not have been entitled had the Company been wound up on the Appointment Date;
- (vii) without derogating from the other provisions of this clause 3.2, begin or proceed with any proceeding against the Company, except with the leave of the Court and in accordance with such terms (if any) as the Court imposes;
- (viii) in the case of a Secured Creditor who voted in favour of this DOCA, enforce, realise or otherwise deal with its security or take possession, sell or otherwise recover property subject to its security;
- (ix) in the case of an Owner or Lessor who voted in favour of this DOCA, take possession of any property that is used, or occupied by or in the possession of the Company; and/or
- (x) otherwise enforce any right it may have or acquire against the Company.

3.3 Previous operation of this DOCA preserved

- (c) will not pass a resolution to place the Company into voluntary administration or take any step to wind it up except with the prior written approval of the Deed Administrators.

4.3 Owners or Lessors

- (a) Without limiting any right of any Owner or Lessor at law (including without limitation under section 444D(3) of the Act), each person bound by this DOCA acknowledges that if an Owner or Lessor were to take possession of any of the properties used or occupied by, or in the possession of the Company listed in **Schedule B**, it may have a materially adverse effect on achieving the DOCA Purpose and Objects.
- (b) Any Owner or Lessor who:
 - (i) voted in favour of this DOCA; or

- (ii) is subject to an order of the Court under section 444F of the Act; or
- (iii) accepts a Category A Contract allocation under clause 16.3(b) or enters into a Revised Category B Contract,

may not, without the prior written consent of the Deed Administrators, take possession of any property that is used or occupied by, or in the possession of the Company (in the case of clause 4.3(b)(iii), to the extent that right of possession derives from, or relates to, the relevant Contract).

4.4 Secured Creditors

- (a) Each person bound by this DOCA acknowledges that if a Secured Creditor were to realise or otherwise deal with any of the Security Interests listed in **Schedule C**, it may have a materially adverse effect on achieving the DOCA Purpose and Objects.
- (b) Any Secured Creditor who:
 - (i) voted in favour of this DOCA; or
 - (ii) is subject to an order of the Court under section 444F of the Act; or

- (g) otherwise enforce any right it may have or acquire against the Company.

5.2 Application to contracts of insurance and insured Claims

- (a) If insurance held by or on behalf of the Company or available under legislation would, but for this DOCA, be accessible to a Creditor in relation to that Creditor's Claim, then the Creditor may in relation to its Claim take action of the type referred to in clause 5.1 to the extent necessary to obtain payment from the insurer of the Insurance Proceeds with the consent of the Deed Administrators, which consent may be provided at the Deed Administrators' sole and absolute discretion and on such terms and conditions as the Deed Administrators may require.

- (b) For the avoidance of doubt, in any action permitted under clause 5.2(a), a Creditor will only be entitled to recover the Insurance Proceeds with respect to that Creditor's Claims and will otherwise be bound by clause 5.1 and not be permitted to take any further action of the type referred to in clause 5.1 against the Company in respect of that Creditor's Claim.

5.3 Transfer of shares

- (a) On and from the Commencement Date and until this DOCA terminates, any Member of the Company and any creditor holding any Security Interest over any shares in the Company must not, without the prior written consent of the Deed Administrators:
 - (i) transfer any shares in the Company; or
 - (ii) exercise any other shareholder rights over shares in the Company.

 - (ii) the Deed Administrators give written consent to the transfer subject to one or more specified conditions and those conditions have been satisfied; or
 - (iii) the Court makes an order authorising the transfer.
- (c) The Deed Administrators may only give consent to a transfer under subparagraphs 5.3(b)(i) and 5.3(b)(ii) if satisfied that the transfer is in the best interests of the Creditors as a whole.

14.4 Insured Members' claims

14.5 Reduction of Claim

Any Insurance Proceeds received by a Creditor by virtue of the operation of clause 14.3 will be deemed to have reduced the Claim of that Creditor accordingly.

15 Priority of employee Entitlements

15.1 Employee Entitlements to have priority

- (d) If the Deed Administrators make a determination in accordance with clause 15.1(c), the Superannuation Debt is to be treated as Extinguished as against the Company and the Creditor will have no Entitlement in respect of that Superannuation Debt.

16 Allocation of Contracts

16.1 Framework for adopting Contracts

- (a) Where it is reasonably practicable and appropriate to achieve the DOCA Purpose and Objects to do so, the Deed Administrators will allocate Contracts in accordance with the framework set out in this clause 16.
- (b) For the avoidance of doubt, nothing in this clause 16:

- (ii) makes the Deed Administrators personally liable for any of the Company's obligations under the relevant Contract.

16.2 Contract allocation by Deed Administrators

- (a) The Deed Administrators may allocate each Contract to one of the following categories:
 - (i) Contracts that the Deed Administrators will cause the Company to continue performing (each a **Category A Contract**);
 - (ii) Contracts that the Deed Administrators will cause the Company to continue performing, but only on revised terms and conditions acceptable to the Deed Administrators (each a **Category B Contract**); and
 - (iii) Contracts that the Deed Administrators will not cause the Company to continue performing (each a **Category C Contract**).
- (b) Each Contract allocation is independent and may occur at any time prior to the Termination Date. If a Creditor holds multiple Contracts, the Deed Administrators are not obliged to allocate all of those Contracts to the same category or at the same time.
- (c) A Contract may be novated, transferred or assigned to an Other PAS Group Company prior to its allocation (in which case the allocation will be made by the relevant Other Deed Administrator).

16.3 Notification of Contract allocation by Deed Administrators

- (a) The Deed Administrators will notify each relevant Creditor of its Contract allocation by issuing a written declaration to that Creditor (**Declaration**). In the case of Category B Contracts, the Declaration will contain revised terms and conditions proposed by the Deed Administrators.
- (b) A Creditor whose Contract is allocated as a **Category A Contract** may, within 5 Business Days after receiving the Declaration (or such longer time period agreed with the Deed Administrators) notify the Deed Administrators in writing that the Creditor:
 - (i) accepts that allocation; and
 - (ii) waives any accrued termination or enforcement rights under the Contract (and any termination or enforcement rights that may arise upon (and due to the mere fact of) the occurrence of a future Transaction),
 failing which, the Contract will be automatically reallocated as a **Category C Contract**.
- (c) A Creditor whose Contract is allocated as a **Category B Contract** may, within 5 Business Days after receiving the Declaration (or such longer time period agreed with the Deed Administrators), notify the Deed Administrators in writing that the Creditor:
 - (i) accepts the allocation and the revised terms and conditions, in which case:
 - (A) the Creditor and the Company agree to enter into a new agreement on the revised terms and conditions as soon as reasonably practicable (**Revised Category B Contract**); and
 - (B) the Creditor waives any accrued termination or enforcement rights under the Contract (and any termination or enforcement rights that may arise upon (and due to the mere fact of) the occurrence of a future Transaction); or
 - (ii) accepts the allocation, but proposes alternative terms and conditions (details of which must be provided in the Creditor's response),

failing which, the Contract will be automatically reallocated as a **Category C Contract**.

- (d) A Creditor who proposes alternative terms and conditions under clause 16.3(c)(ii) agrees to negotiate in good faith with the Deed Administrators to determine mutually acceptable revised terms and conditions. If:
 - (i) such terms and conditions are agreed:
 - (A) the Creditor and the Company will enter into a new agreement on the revised terms and conditions as soon as reasonably practicable (also, a **Revised Category B Contract**); and
 - (B) the Creditor waives any accrued termination or enforcement rights under the Contract (and any termination or enforcement rights that may arise upon (and due to the mere fact of) the occurrence of a future Transaction);
 - (ii) such terms cannot be agreed, the Deed Administrators will reallocate the Contract as a Category A Contract or a Category C Contract.

16.4 Deed Administrators' discretion to revoke Declaration

- (a) Subject to clause 16.4(b), the Deed Administrators may at any time (and in their absolute discretion) prior to the Termination Date revoke a Declaration and issue a new Declaration, in which case the original Declaration (and any consequences of that Declaration under clause 16.3) will be null and void.
- (b) The Deed Administrators may not, without the agreement of the relevant Creditor which is a party to that Revised Category B Contract, revoke a Declaration in relation to which a Revised Category B Contract has been entered.

17 Proofs of Debt

17.1 Proofs of Debt

- (a) Creditors' Claims are to be submitted and admitted for proof to the deed administrators of the Distribution DOCA in accordance with clause 17 of the Distribution DOCA.

 - (ii) is not entitled to submit a Claim for proof if that Claim has been Extinguished under clause 20.

17.2 Categorisation of Claims under Contracts

- (a) not presently due and payable by the Company, but will become due and payable at a future date (**Future Claim**);
- (b) not presently due and payable by the Company and may or may not become due and payable by the Company at a future date (**Contingent Claim**); or
- (c) otherwise, a "**Present Claim**".

17.3 Claims in respect of Contracts

- (a) For **Category A Contracts**, the Deed Administrators will Extinguish Present Claims and the relevant Creditor will be entitled to submit a proof of debt for those Present Claims.

- (b) For **Category B Contracts**, the Deed Administrators will Extinguish Present Claims in full, and Future Claims and Contingent Claims to the extent that those claims exceed the relevant Creditor's rights and entitlements under the **Revised Category B Contract**, and the relevant Creditor will be entitled to submit a proof of debt for those Extinguished Claims.
- (c) For **Category C Contracts**, the Deed Administrators will Extinguish Present Claims, Future Claims and Contingent Claims, and the relevant Creditor will be entitled to submit a proof of debt for those Extinguished Claims.
- (d) For the avoidance of doubt, nothing in this clause 17 affects a Creditor's entitlement to be paid amounts which constitute expenses properly incurred by the Voluntary Administrators, the Other Voluntary Administrators, the Deed Administrators or the Other Deed Administrators in preserving, realising or getting in property of the PAS Group Companies, or in carrying on the businesses of the PAS Group Companies in accordance with the Waterfall.

17.4 No double proof

- (a) In the event that a Claim is novated by the Deed Administrators or the Other Deed Administrators to another PAS Group Company, such a novation will not create a new Claim or PAS Group Claim.
- (b) The rule against double proof will apply in respect to the PAS Group Companies in aggregate so that a Creditor proves only once against the Distribution Fund in respect of a Claim against a primary obligor but may not prove in respect of a Claim guaranteed by a co-guarantor.
- (c) The rule against double proof will apply in respect to the Company such that a Creditor will not have any Entitlement in respect of any Claim arising from the partial repayment of a debt or obligation owing by the Company which has been guaranteed by the Creditor.

17.5 Mutual credit and set-off

- (a) Subject to clause 17.5(b) where there have been mutual credits, mutual debits or other mutual dealings between the Company and a Creditor who seeks to have a Claim admitted to proof against the Company:
 - (i) an account is to be taken of what is due from the one party to the other in respect of those mutual dealings;
 - (ii) the sum due from one party is to be set off against any sum due from the other party; and
 - (iii) only the balance of the account is admitted in respect of the Creditor's Proof of Debt against the Company, or is payable to the Company as the case may be.

- (a) This clause applies if the amount of a Claim admissible to proof against the Company would, apart from this clause, be an amount of foreign currency.
- (b) If the Company and the Creditor have, in an instrument created before the Appointment Date, agreed on a method to be applied for the purpose of converting the Company's liability in respect of the Claim into Australian currency, the amount of the Claim that is admissible to proof is the equivalent in Australian currency of the amount of foreign currency, worked out as at the Appointment Date and in accordance with the agreed method.

- (c) If clause 17.6(b) does not apply, the amount of the Claim that is admissible to proof is the equivalent in Australian currency of the amount of foreign currency, worked out by reference to the opening foreign exchange rate sheet inward remittances buying rate in relation to the foreign currency available at the Commonwealth Bank of Australia on the Appointment Date.

17.7 Calculation of interest on Claims

Section 563B(1) of the Act and Regulation 5.6.70A apply to the calculation of interest admissible to proof against a PAS Group Company, as if:

- (a) references to “liquidator” and “the liquidator”, as the case may be, were references to the Deed Administrators;
- (b) references to the “relevant date” were references to the Appointment Date;
- (c) references to “winding up” were references to the administration under this DOCA; and

- (b) All payments to be made to priority creditors in relation to the Company when placed in liquidation (the **Liquidated Company**) will be determined by the deed administrators of the Distribution DOCA in accordance with the Statutory Waterfall applicable to the Liquidated Company and having regard to the return the priority creditor would have received in the liquidation of the Liquidated Company.
- (c) The Deed Administrators must obtain the approval of the PAS Group Creditors' Committee prior to making any proposed distribution to priority creditors of the Liquidated Company.

- 1 In this Schedule, “**DOCA**” means the deed of company arrangement executed by The Capelle Group Pty Limited (Administrators Appointed) (ACN 121 867 641) and to which this Power of Attorney is attached as a schedule.
- 2 Terms which are defined in the DOCA have the same meaning when used in this Schedule unless otherwise defined in this Schedule, in which case the definition in this Schedule prevails.
- 3 For valuable consideration, each Secured Creditor irrevocably appoints each Deed Administrator severally as its attorney (**Attorney**) immediately on payment to such Secured Creditor of its full Entitlement under this DOCA (if the Secured Creditor voted in favour of the DOCA) or its Claims in full (if the Secured Creditors did not vote in favour of the DOCA):
 - (a) to do anything which such Secured Creditor is obliged, but has failed, to do under this DOCA;
 - (b) to do anything required to effect the release of each “security interest” (as defined in the Act) granted in favour of such Secured Creditor by any PAS Group Company;
 - (c) to sign, execute (whether under hand or seal) and, if required, seal and deliver or accept, in such manner as may be required each or any one or more of the following documents (each a **Document**) in form and substance as the Attorney thinks fit:
 - (i) each deed poll of release required to be executed by such Secured Creditor to effect the release and discharge of any “security interest” (as defined in the Act) granted in favour of it by a PAS Group Company;
 - (ii) each discharge of mortgage (or other document required to effect the release and discharge of any registered mortgage) required to be executed by such Secured Creditor to effect the release and discharge of any security interest granted in favour of it by a PAS Group Company; and
 - (iii) each financing statement required to be registered by such Secured Creditor to effect the release and discharge of any registration made by it in respect of any security interest granted in favour of it by a PAS Group Company;
 - (d) to sign, execute (whether under hand or seal) and, if required, seal and deliver any other documents which are referred to in any Document or which are ancillary, incidental to or related thereto or contemplated thereby (as conclusively evidenced by the Attorney's execution thereof) or any other deeds, agreements, contracts, assignments, letters, notices, certificates, undertakings and instruments (including negotiable instruments), other documents which the Attorney considers necessary, advisable or incidental in connection with any one or more of the Documents (each an **Ancillary Document**);
 - (e) to sign, execute (whether under hand or seal) and, if required, seal and deliver any document (including any certificate), make any registration or perform any act, matter or thing at the absolute discretion of the Attorney in any way relating to such Secured Creditor's involvement in the transactions contemplated this DOCA or by any Document;
 - (f) to complete blanks and make alterations, deletions, additions or corrections (whether or not material and whether or not involving changes to the parties) to any Document and to any Ancillary Document including, without limitation, adding and deleting parties and varying the name of any party and/or the title of any Document or any Ancillary Document;
 - (g) to register any Document or Ancillary Document with any government agency or security register; and
 - (h) to do all such other acts, matters and things necessary or incidental to the effective exercise of the above powers in the Attorney's absolute and unfettered discretion.

- 4 Without limitation, the Attorney may at any time:
 - (a) delegate the Attorney's powers (including delegation); and
 - (b) do anything which in the opinion of the Attorney is necessary or expedient to effect the release of each "security interest" (as defined in the Act) granted in favour of such Secured Creditor by any PAS Group Company.
- 5 A determination by an Attorney that a Secured Creditor has failed to do anything under or in relation to this DOCA will be conclusive in the absence of manifest error.
